Sincerely - I'm sorry for what
happened but I did all
I could for Rose but she
sure didn't appreciate it
I'm sending a copy of the
railways bus ticket I bought
for her Sunday AM I went
to the bar where she was
with 3 guys & ask her to leave
with me I was getting her
a bus ticket home & she
told me to leave her alone
she was an adult & could
take care of herself so I said
ok - if she called you & proceed-
ed to go to bus terminal & pay
for ticket now the sheriff's
dept has a copy & we have one
& here is one for you she had
money because she baby sat

last week plus she took
20.00 from Babbie Waller
Fri mite when he went to
sleep - today & every day she
pat in a man's bar like
the Town Grill in Dons. between
beer & Cigaretts it would take
a million airc to pay for her.
Today she cut up all Babbie's
important papers plus she
cut up his Nat. guard uniforms
with the shears & they are
government property so she
may be in trouble if I catch
her - she left the bar with
a guy in a red pick-up no one
knew who he was or where
she went - if I find her I
will give her the ticket
home but if I can't find
her I'm not responsible

She came back to Campu
 last nite Bobbi has
 to make up his mind
 either Campu & Car or
 her - if I paid the ticket
 to her & she refuses to go
 back to N.Y. so there
 nothing you can do
 she's going to get out of
 Campu if I have to
 get sheriffs to pull
 her out.

Of the shuff's dept says the
same thing. As far as her
being preg- it could be
1 of 4 guys she's been tranking
with she told Babbie & if
she couldn't get that way
I wanted her to go to Dr & I
would have paid for it for
pills & she said she sure
didn't need them. Sorry
but I can't do any more
if I find her I'll sure
give her the ticket &
if I can't find her I'm
covered - because I have
proof -
